Rev. L. B. Duke.

From evidence on file, it would appear that he has performed continuous residence [illegible]'s father on the S. W. quarter of S[illegible] [illegible]ridian and has one mile of fence, valued at [illegible] and twenty rods of breaking, if not more.

The Rev. Albert Desroches asks that Mr. Saint-Onge be treated leniently in the matter, as he certainly was under the impression that he was [illegible] the 1st June, 1894.

I presume that the Department will, in view of all the circumstances of the case, grant Mr. Saint-Onge the privilege of securing a fresh entry on payment of the required fee and also allow him to take credit for residence from the [illegible]th July, 1913.

MEMORANDUM:

Mr. Rowe.

Re S.E.¼ 1—60—9, W. 4th M.
Hd; 26th June, 1912.
Henry St. Onge,

It appears this settler was under age when he made his entry for the above described quarter-section.

On the 12th September, 1911, he appeared with his father, Mr. Charles Saint-Onge, before the Sub-agent at St. Paul-des-Metis and applied for the reservation of the land until the 19th June, 1912, when he alleged, he would be eighteen years of age.

The land was reserved in the usual way and on the 19th June, 1912, Mr. Saint-Onge made application for entry before the Sub-agent, which application was accepted and recorded by the Agent at Edmonton on the 26th June, 1912.

Cancellation proceedings were instituted on the 20th April last, on behalf of Mr. J. H. Johnson, on the grounds that Mr. Saint-Onge was not of age when he made entry.

The entrant was notified of the circumstances under which cancellation proceedings were instituted and granted an opportunity of denying the charge. He executed a statutory declaration on the 18th stating that he was born on the 19th June, 1894 and was therefore, eighteen years of age on the 19th June, 1912.

The Rev. Albert Lesroches, in a letter dated 2nd instant, submits Certificate of Baptism, with translation, of "Jospeh-Henri Saint-Onge, who, it is stated was born on the 5th July, 1895, being baptised on the same day, according to the Rites of the Roman Catholic Church, by the Rev. J. A. Hamel.

According to this Certificate, the entrant was not eighteen years of age until the 5th July, 1913. Under the circumstances, his entry is illegal and will have to be cancelled.

Reverend Sir,

Re S.E.¼ - 1 - 6 - 9 - W. 4th.

Referring to your letter of the 2nd ultimo, enclosing Certificate of Birth of H. St. Onge, I beg to inform you that it has been decided, in view of the fact that Mr. St. Onge was not eighteen years of age when he obtained entry for the above described quarter section on the 25th June, 1912, to cancel such entry but allow him to obtain a fresh entry on payment of the required fee and count the duties performed subsequent to his eighteenth birthday, i.e., from the 5th July, 1913.

The Agent of Dominion Lands at Edmonton is being furnished with a copy of this letter for his information and with instructions to notify Mr. St. Onge to appear before him without delay and make his application.

Dear Sir:

In reply to your letter of October 9th, I may say that your birth certificate would not be required in connection with your homestead and does not appear to have been forwarded to this Department.

When homestead entry for the S. ½ 1- 0-9- 4th Meridian was applied for by Henry St. Onge on January 9th, 1915, he stated that he was 19 years of age, single, and born in Disraeli, Province of Quebec. In his sworn statement dated April 2nd, 1919, when applying for patent, he declared that his age was 24 years. There does not appear to be any other reference in our records to the age of Mr. St. Onge.

If you are the man mentioned above, I would suggest that you could probably obtain a record of your birth from the church at Disraeli, P.Q.

Yours very truly,

Mr. Gilmore Wilson.

The entry was made on the 19th May, 1910, and the Department of Militia and Defence report that Gilmore Wilson enlisted with the 9th Battalion in Edmonton, on the 23rd September, 1914, and later was transferred to the 4th Overseas Battalion.

The certificate of Major-General W. E. Hoggins of the 12th instant is as follows:-

"This is to certify that No.18404 Private Gilmore H. Wilson, 4th Overseas Battalion, Canadian Expeditionary Force, has been officially reported as having been killed in action between the 12th and 14th of June, 1916.

On attestation, he gave the name and address of his next of kin as follows:-

James Wilson, (Relationship not stated),

Arvilla, Alberta."

Mrs. Emma Wilson, mother of the deceased, has expressed a wish that Letters Patent for the above quarter section, issue in the name of the late entrant.

The application for entry and the attached affidavit give the name Gilmour Wilson.

The certificate of enlistment dated the 8th September, 1915, gives the name as Gilmore Wilson, while the certificate of death gives the name of Gilmore H. Wilson, and it appears the correct name in full is Gilmour Hill Wilson.

From the correspondence on file I am satisfied that Gilmore Wilson who made entry for the above quarter section, and Gilmour H. Wilson and Gilmour Hill Wilson, are one and the same person, and that steps may now be taken to prepare a patent for the land.

Dear Sir:

Re River Lot 79, Heart River and Salt Prairie Settlement
Joseph Kanet wattamow or
Joseph Ahchekapow
and on this will

This man died leaving a will which was drawn up by Arch deacon Scott, the deceased name was spelled Joseph Ahchekapow. He has always been known as Joseph Anchekapow but the Treaty Commissioners in their Official Report at the time of Treaty No. Eight in the year 1899 spelled his name as Joseph Kanetowattamow and hence the title to above property now stands in the name of Joseph Kanetowattamow.

I am trying to have transmission papers registered in the name of the Executor Bishop Robbins.

Mr. F. Tomkins who was Dominion Lands Agent at the time this man applied for his patent has made an Affidavit that the two names refer to one and the same person but the Registrar intimated that he was quite willing to deal with the matter provided, some further assurance could be given him on the point of the two names referring to the One individual. He suggested that my best course would be to communicate with the Department of the Interior at Ottawa asking whether or not there is any record there of Joseph Kanet wattamow to whom patent issued having been known as Joseph Ahchekapow. I beg to refer you to special grant [illegible].

The Surveyor General reports that the surveyor did not take any Statutory Declaration on the survey of this Settlement.

executors George Spence and Francis Stephen Spence, That action will not, however, be taken before the 20th instant so that you may oppose such action if you so desire. At the same time I am to say to you that it does not appear, either from the enclosed document or from any other paper on file here or upon any other ground whatever that any other action can be taken by this Department, and in one of the other papers on file here it is stated that the correct name of the deceased volunteer is "Daniel McLean," and not "Daniel McLean Spence," and that his father is living at Macleod, Alberta. The fact that the name of the deceased in the warrant is "Daniel McLean Spence," and that there is apparently no question but that it is his will which has been before referred to, and that George Spence and Francis Stephen Spence are the recognized executors of that will leaves little if indeed any doubt that they are the persons in whose favour, in that capacity, this Department must issue the certificate to locate lands, in this case.

Sir,

I beg to acknowledge the receipt of your letter of the 11th ultimo re your desire to obtain an extension of time in connection with your South African Volunteer Bounty Scrip location the East ½ of Section 24, Township 27, Range 18, West of the 4th Meridian, and in reply I am to say that it is not the practice of the Department to consider such applications unless the entrant has perfected his entry for the lands in question, that is, he must have been in bona fide residence for at least thirty days upon his lands. Even under such circumstances there is no assurance that protection can be granted. Such protection is not granted for the mere convenience or profit of the entrant, It is only granted when said entrant has met with some unforseen and uncontrollable circumstances which render it very difficult or actually impossible for him to complete his duties without protection. It is therefore regretted that your application cannot be entertained.

I am however to inform you that in the event of cancellation proceedings being instituted against your entry, you still have sixty days within which to go upon your land and commence the fulfilment of your duties.

Land Warrant No. 4319 in favor of the "legal representatives" of the late Major Forester was sent to your Department, and we asked you to let us know the cause of the delay in forwarding the Warrant. We have not yet been favoured with a reply. The non-receipt of the Warrant is inconveniencing us very much, for the reason that the Estate is being administered by this Corporation under the direction of the Court, and we have been instructed by the Court to sell the Warrant in question without any delay, which instruction we cannot comply with until the Warrant is received, in the meantime favourable opportunities which we now have for making a sale of the Warrant are being lost. We trust that you will be good enough to see that the Warrant is sent to us by return mail, and also some explanation given for its non-receipt.

The above land has been purchased by an individual named John Pudwell. The purchaser's Solicitor wrote this office regarding certain liens which appeared on the title to this property, stating that his client was not the same individual who obtained advances from the Federal Government and as requested has submitted a statuatory declaration to this effect completed by his client. The declaration is enclosed herewith.

SENT TO:

Dear Sir:

Re: SE 16-13-3-W.4th & N.W. 15-13-3-W4th
and N.½ of S.½ 9-13-3-W.4th.

We have been informed by W.C. French, Chief Collector, Department of Municipal Affairs, Edmonton, Alberta, that there are three liens in the amounts of $25.50, $9.00 and $31.65 registered against the above land in the name of John Pudwell. These liens were originally registered against the S.E. 35 and the N.E. 26-14-2-W.4th and became attached to the above land through the similarity of names. We have now sufficient proof on our files to show that the John Pudwell who is the owner of the S.E. 16, N.W. 15 and the N.½ of the S.½ of 9-13-3-W.4th is not the same person who obtained these advances. You are, therefore, authorized and requested to remove our liens in the amounts of $25.50, $ 9.00 and $31.65 from the S.E. 16, N.W. 15 and the N.½ of S.½ 9-13-3-W.4th.

A copy of this letter is being forwarded to Mr. W.C. French, for his information.

Gentlemen,-

On Dec. 1st/09 at the Dominion Lands Office, in Lethbridge I filed S. A. Scrip on the East half of Sec. 4, Tp. 10, Range 4, West of 4th Mer., and homestead and pre-emption on the west half of the same section.

I have built a house on the scrip which when painted, will cost in the neighborhood of $[illegible]0.00 and a barn on the homestead which has cost in the neighborhood of $[illegible]00.00. I have about thirteen acres in fencing. I have a summary of the regulations relating to Dominion Lands. In it, it states clearly that homestead duties cannot be performed while residing on scrip. What I want to ask is can any exception be made to this rule? My house is only a few feet from the line of my homestead. I have already more than $700.00 worth of buildings on my homestead, and am on one half each day at present on the other. It seems almost like a waste of time and money to have to build two houses so close together, when if I were allowed to prove up both halves by residing the whole three years, in the one house, I could easily enlarge it to a $[illegible]00.00 house, which I think would be a greater improvement to the country than two smaller houses.

I am prepared to carry out the rules and regulations to the letter, and I know that rules regarding Dominion Lands have to be strictly enforced, as there are always some people who

Original on File No. 1274857. Ottawa, 23rd May, 1918.

Memorandum,-

APPLICATION TO PURCHASE

of ERNEST MUNSTERMAN,
Fractional Legal Subdivision 2, Fractional
Legal Subdivision 1, lying west of river,
Section 5, Township 60, Range 1, West of
5th Meridian, containing 46.5 acres, shown
hatched in green on the attached sketch.

I beg to submit for consideration and decision the application above referred to. The land applied for is available according to the records of the Department and the applicant in January last obtained homestead entry for the adjoining fractional S.W.¼ of the same section. This quarter section is shown outlined in black on the sketch and comprises an area of 129.90 acres. (In this connection lease see my memorandum of even date on File No. 1758693.)

I beg to state in this relation that the portions of the fractional S.E.¼ of Section 5, shown on the sketch hatched in red and coloured yellow, have been disposed of by sale to the homesteaders of the adjoining S.W.¼ and N.E.¼ of Section 5, respectively. In the latter case the entrant was obliged to relinquish the portion of his homestead lying south east of river in order to secure permission to purchase.

I may add that Mr. Munsterman applied for sufficient of the fractional S.E.¼ of Section 5, lying west of river, to make up for the deficiency in his entry, and to be permitted to purchase the excess area over 160 acres. He was advised, however, that the practice of the Department did not permit of his request being granted but that the question as to whether he would be permitted to purchase the said fractional Legal Subdivision 2 and the portion of Legal Subdivision 1,

Commissioner of Dominion Lands.

Dear Sir:

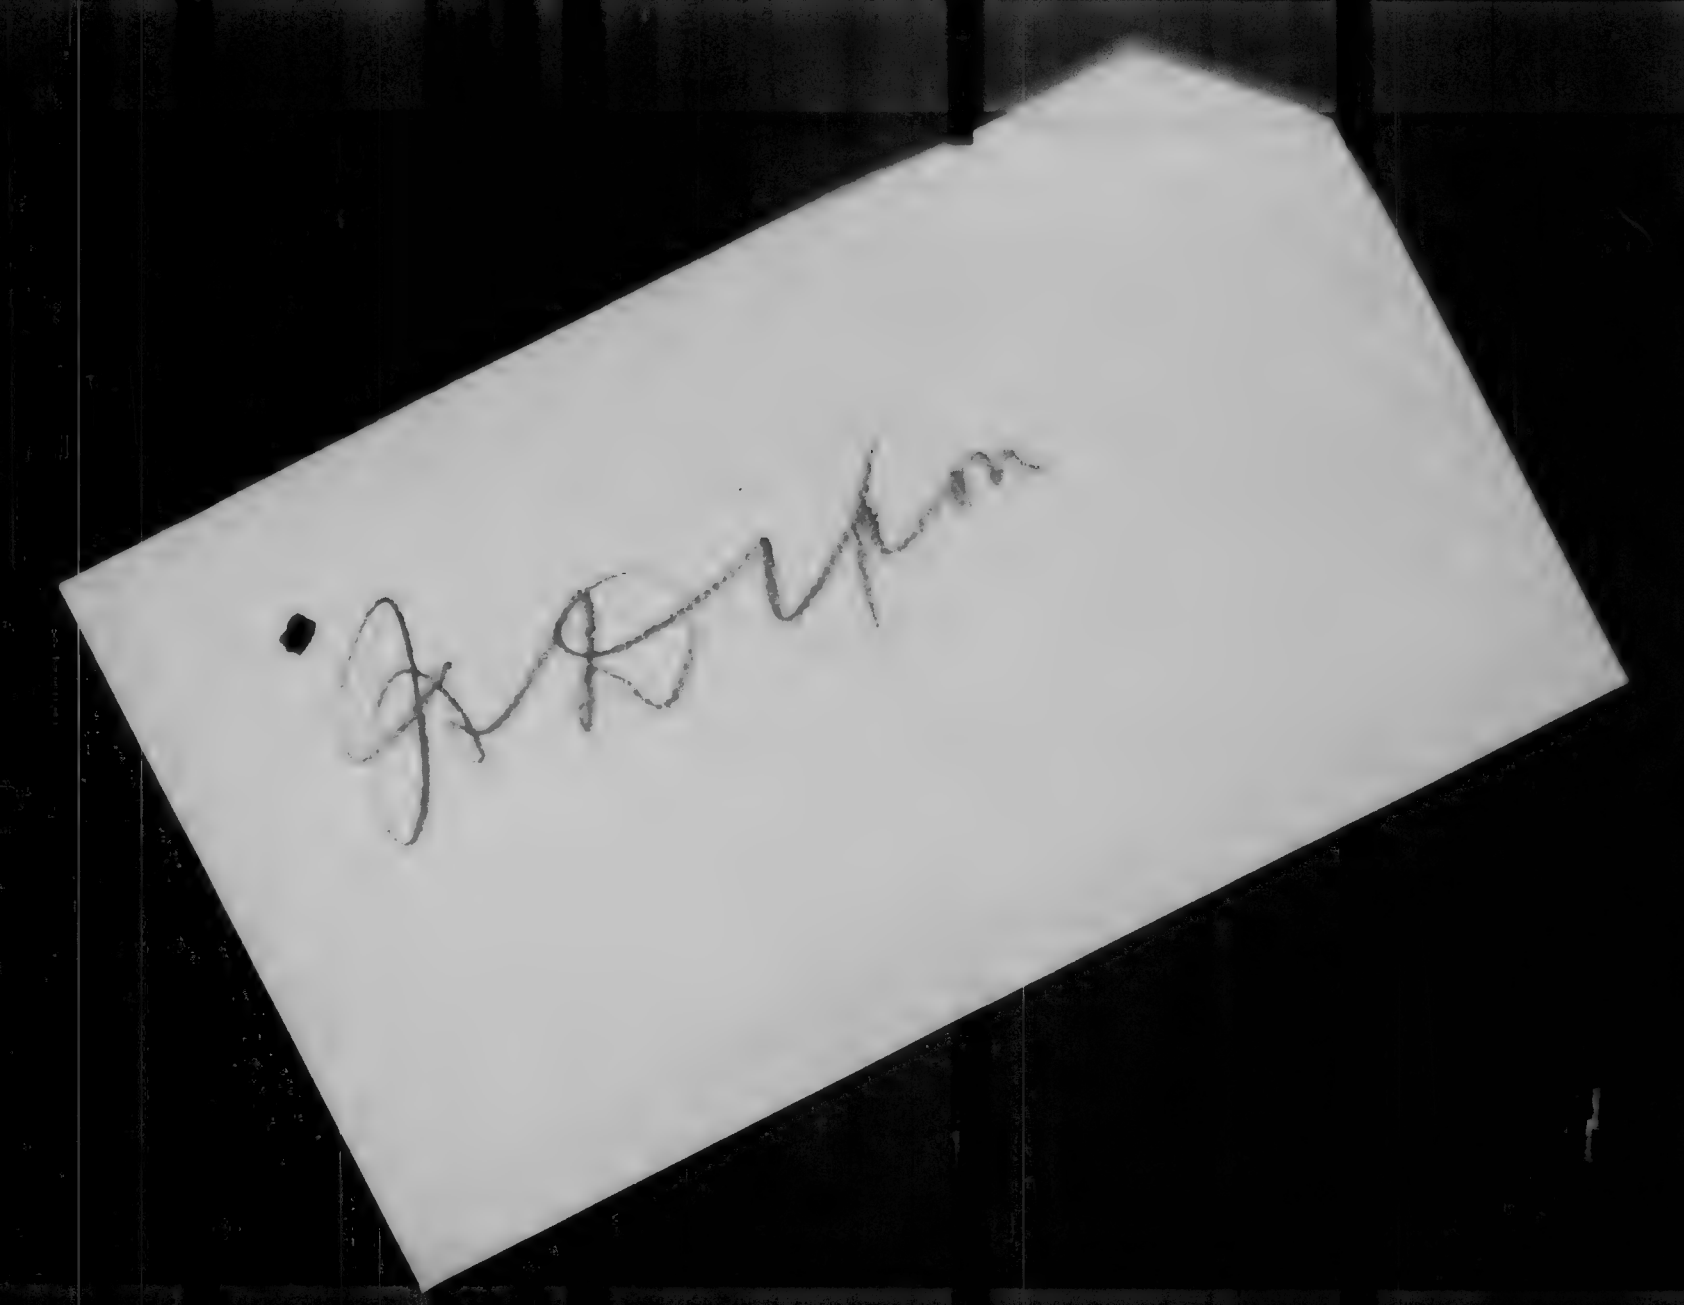

Enclosed please find receipt for Volunteer Certificate which was mislaid.

Kindly give me a ruling upon the following point:-

Under the Homestead regulations one is allowed 160 acres of land and has the privilege to pre emption an adjoining 160 acres.

What is to prevent one from homesteading and pre empting 320 acres adjoining the tract granted under the Volunteer Bounty Act?

Referring to your letter of the 23rd ultimo, I beg to enclose a copy of the homestead regulations and would direct your attention to the paragraph marked on page 28, from which you will see that the residence duties in connection with a Volunteer Land Grant cannot be accepted as residence in connection with an ordinary homestead. On the other hand a Volunteer or his substitute cannot live on his Volunteer Grant and count such residence in connection with his homestead. This, however, does not debar a settler from putting in six months residence in each year on the homestead itself and six months on the Volunteer Grant, if he is in a position to do so.

It might be well to point out that South African Volunteer Scrip is not applicable on Dominion Lands within the Railway Belt in the province of British Columbia.

Dear Sir:

RE: W.½ 20-27-11-W.4th M.
Seaman Brown.

I beg to inform you that your letter of the 17th instant, addressed to the Department of Pensions and National Health, inquiring whether your father received a grant of land in Canada for Military Services, has been referred to me for attention and a reply.

According to our records Seaman Brown of Taylorton, Saskatchewan, was issued with a South African Volunteer Bounty Land Script bearing date of the 18th January, 1909. This Script entitled him in view of South African Volunteer Bounty Warrant No. 4089, to select as a homestead, two adjoining quarter-sections of Dominion Lands available for homestead entry.

Mr. Brown appointed Thomas Andrew Fleming of Melita, Manitoba, as his substitute. The said Mr. Brown then filed on the W.½ 20-27-11-W.4th M. as a Volunteer Bounty Land Grant entry. He completed the required duties and patent issued in favour of Thomas A. Fleming, bearing date of the 10th September, 1913.

It would, therefore, appear that your father sold his South African Volunteer Bounty Warrant, No. 4089 to the said Thomas A. Fleming.

Madam,

I am directed to acknowledge the receipt of your letter of the 10th instant, enclosing Dominion Lands Receipt No.74009, together with an instrument appointing substitute under the Volunteer Bounty Act, 1908, executed by A.J.Pawsey, in your favour, and to return to you, herewith, the documents in question, as the instrument cannot be accepted or registered here in its present form, the affidavit thereto not having been dated. It is also noted that the address and occupation and name of the corps in which the volunteer served have not been filled in in the space provided at the top of the instrument.

If the instrument in question is received here, properly filled in, it will be accepted for registration in your name, as Mr.Pawsey's substitute, in which case the settlement duties already performed by the grantee will be counted, as under the Regulations relating to South African Land Certificates, if the settlement duties have been partially performed by the grantee, they may be completed by the substitute.

The Act is specific in requiring residence to be actually upon the land entered for.

A copy of the Regulations relating to Dominion Lands is enclosed herewith, for your information, to pages 33--36 of which relating to South African Volunteer Bounty Land Grants you

Mrs.Katharine Von Wald,

"I beg to state that I visited Most of the settlers in the vicinity of the Von Wald's land and failed to get anything definite in regards to not complying with the homestead duties. The trouble between Mr. A. Anderson and the Von Walds is simply bad neighbors, Anderson served a term for cruelty to Von Wald's horses it was claimed he chopped them up with an axe. As far as I can learn Von Walds are law abiding and peaciable and I know them to be good farmers, this year they have some 700 acres in crop and 600 acres summerfallowed. Von Walds to be sure are Germans whom we are at war with and I think at this present time the less said the better. There is nothing in Anderson's report. Enclosed with this you will find a report on each of the Von Walds land."

Re: ...¼ 24-4-2-west 4th Meridian.
R. Von Wald. Joint Relief.
...n. P. of Flowery Plains 151.

In the years 1939 and 1943 this party obtained joint relief through the Municipal District of Flowery Plains in a total sum of one hundred and sixty-five dollars and twenty cents ($165.20), and, there was outstanding in this connection as at 31st of December, 1944, a sum of four hundred and forty-two dollars and twenty-five cents ($442.25).

As security for these advances liens were filed on title to the above described land which was abandoned by the debtor many years ago and title passed to the municipality under tax recovery proceedings.

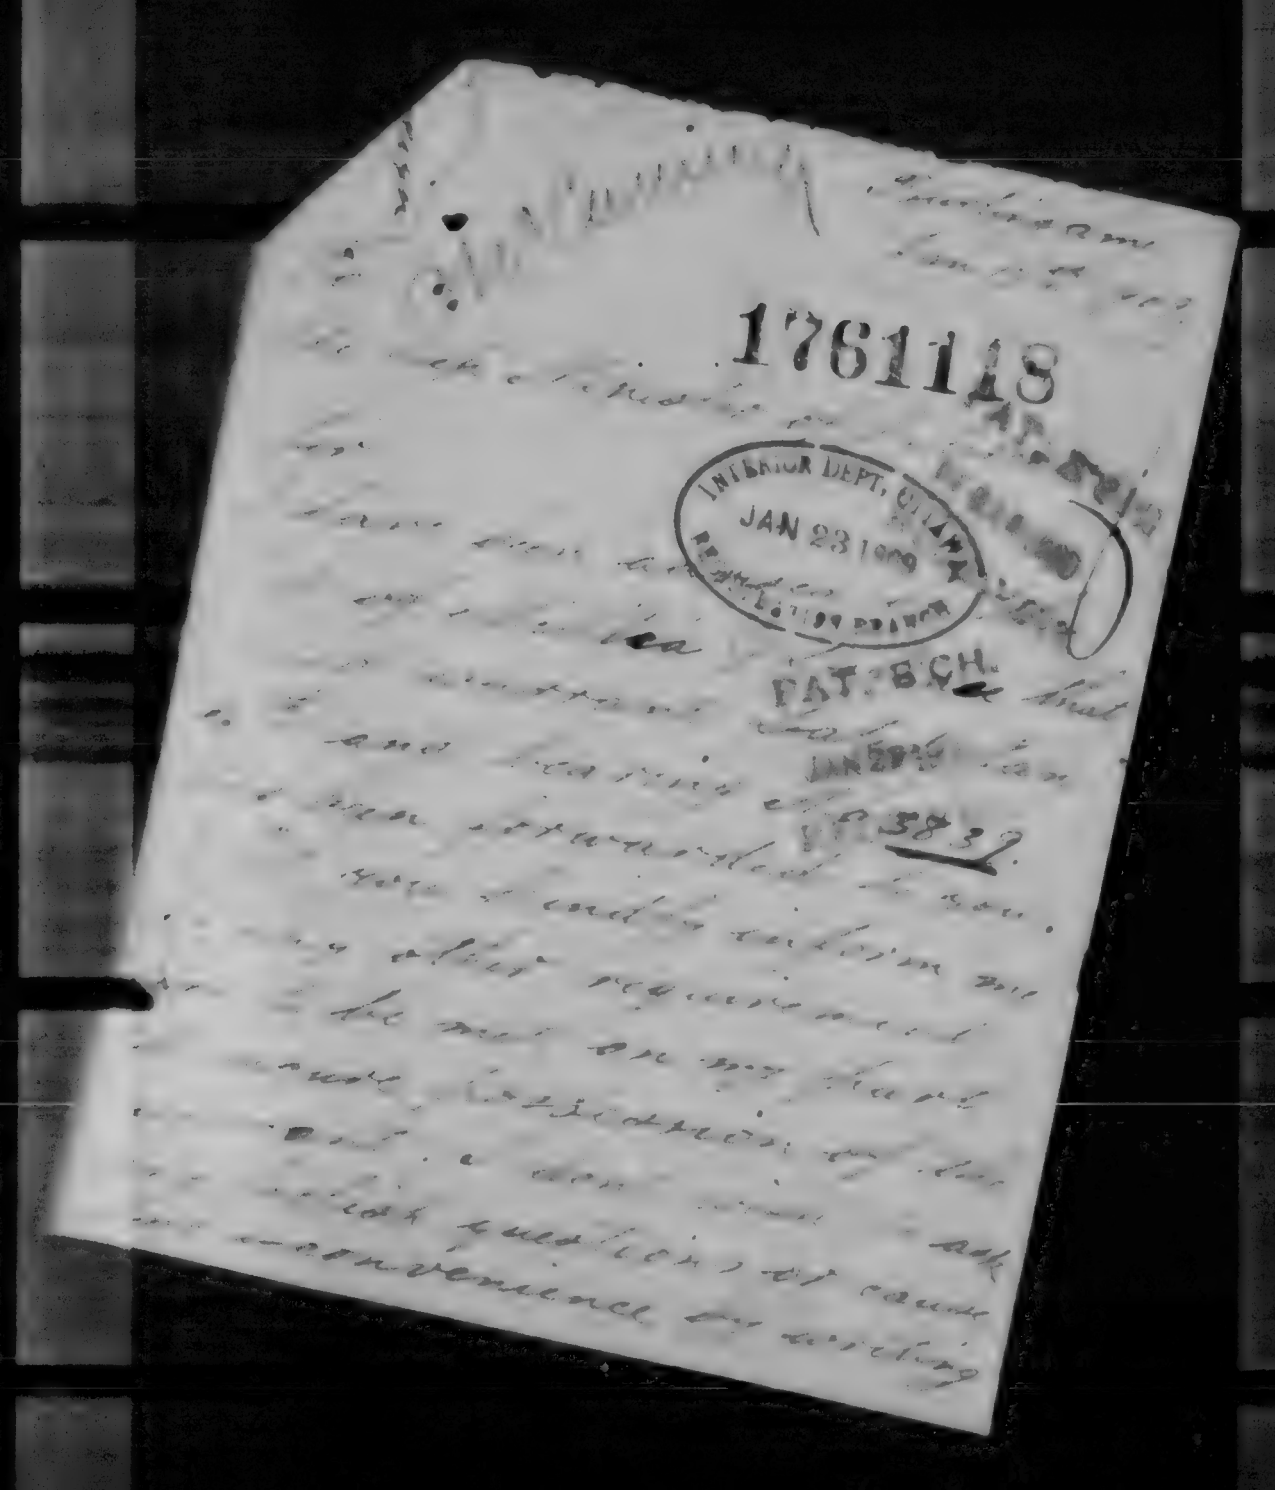

The Municipal District of Burlington No. 34, of which the old District of Flowery Plains now forms an integral part, has now disposed of this land for a sum sufficient to permit of payment of the original advances and a cheque for one hundred and sixty-five dollars and twenty cents ($165.20) has been received.

I would recommend that upon application of this sum to the credit of this account, the liens given as security be released and the balance remaining outstanding be written off.

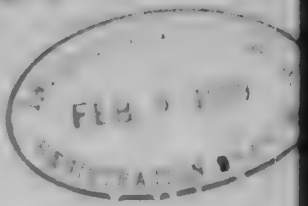

Provincial Seed Grain in the amount of three hundred and fifty-nine dollars and five cents ($359.05) was already been cancelled.

Yours very truly,

Sir,-

I beg to acknowledge the receipt of your letter of the 19th instant, and the enclosed [illegible] of your entry for a leave of absence from the South half of section 21, Township 1, Range 1, West of the 4th Meridian, upon which you have acquired Soldiers' Grant, and in reply I regret to say that your request cannot be entertained. You have held the land for a long time and seem likely to continue in default with regard to cultivation, as well as the residence duties.

The residence conditions of the Soldiers' Grants Act of 1908 are very important and the Department will have no discretionary power in the matter, requires a very strict compliance therewith.

If you wish to keep your entry for the half section from being cancelled, it will be necessary for you to go on promptly with the settlement conditions upon which you were granted the land. If you fail to do so you will render your entry liable to cancellation.

Your obedient servant,

[illegible]

Dear Sir, Re S.E.¼ of 19, 4, 7, W.4th M.
S.W.¼ of 17, 4, 7, W.4th M.

I received your letter about a month ago I have been finding out the location of Varga Van Alda's land as it is possible I have not his full name but his brother proved up a homestead and preemption the north half of section 19-4-7-4 and he also proved up on a scrip the east half of sec.19-4-7-4 that he never lived on but their mother did. Varga Van Alda has got another preemption in 4-9-4 right east of section 19-4-7-4. He lived on it a little while in the summer of 1916 has never lived on it since and he also got a scrip in 4-9-4 it is west of section 19-4-7-4 so you may be able to tell the number better than I can. Her scrip she went up and slept on a night once in a great while never once that the law required and of course them and their witnesses both gave false testimony when they proved up or the government would never have given them the patent and they also got three hired men to get homesteads and did not do their duty and one of them said that he could sell it to Van Alda when he got it proved up. We would like to ask the Department of Interior to make an investigation in the matter - we don't want a land syndicate here, at least when they get it by dishonesty. They are protesting against school and everything else that belongs to civilized countries, for the reason that they do not want to pay taxes - the law gives each one 320 acres and that is plenty for every one to make a good living from and by that amount we can build up the country and supply schools and churches sufficient for any sanitary needs. I will give you a list of their surrounding neighbours that you can ask information from and I know they will sustain my letter and at least I am sure you cannot get two of them to testify that they have done their duty - they are a bunch of crooks and have had more law suits than all the rest of us together - they are breaking the law all the time and pulling for Germany - not only we but the neighbourhood would be better off without them.

Dear Sir:

Re: S½ 24-4-9-West 4th Meridian.
K. Von Wold. Joint Relief.
M. D. of Flowery Plains #33.

In the years 1930 and 1932 this party obtained Joint Relief through the Municipal District of Flowery Plains in a total sum of one hundred and sixty-five dollars and twenty cents ($165.20), and, there was outstanding in this connection as at 31st of December, 1944, a sum of four hundred and forty-two dollars and twenty-five cents ($442.25).

As security for these advances liens were filed on title to the above described land which was abandoned by the debtor many years ago and title passed to the municipality under Tax Recovery proceedings.

The Municipal District of Burlington No. 34, of which the old District of Flowery Plains now forms an integral part, has now disposed of this land for a sum sufficient to permit of payment of the original advances and a cheque for one hundred and sixty-five dollars and twenty cents ($165.20) has been received.

I would recommend that upon application of this sum to the credit of this account, the liens given as security be released and the balance remaining outstanding be written off.

Provincial Seed Grain in the amount of three hundred and fifty-nine dollars and five cents ($359.05) has already been cancelled.

Sir,

In reply to your letter of the 26th ultimo, enclosing one from Messrs. ...under the...

Volunteer Bounty Act 1908

For the Guidance of Dominion Land Agents and the Public

INFORMATION

Respecting Land Grants Under the Volunteer Bounty Act, 1908,

For the Guidance of Dominion Land Agents

and the Public:

Application for a land grant warrant by a Volunteer, entitled to same, should be made to the Department of Militia and Defence at Ottawa.

Warrant issued to the Volunteer found to be entitled will be forwarded by the Department of Militia and Defence and the number of same recorded in the Department of Interior, which will be necessary to the grantee to make entry.

Entry for the land grant to the extent of two quarter-sections of Dominion Lands, available for homestead entry, may be made by the grantee (or his duly qualified substitute) in person at the above authority. Such entry may be made at any agency by the grantee or his substitute, and at the office of the

Land agency, provided for by the Act, is the office of the Dominion Lands Agent in whose district the land is situated. Sub-agents are not authorized to receive applications for such entry.

If entry is not applied for on or before the 31st December, the grant of the Volunteer will lapse.

No fees or commissions are chargeable.

Substitutes

A Volunteer, who has received authority to make entry, as above provided, may assign his right to the land to his parent, if a British subject, or wife, if a British subject, and who is not entitled to a grant.

An assignment must be made in the form contained in the Act and executed and registered in the Department of Militia and Defence at Ottawa.

Where an assignment has been executed and registered as above provided, the person in whose favour the assignment was made becomes the substitute of the Volunteer and is entitled to make entry and acquire patent for the land in every case as if he were the original grantee. The grantee may revoke the authority to appoint another substitute, and the substitute may not assign his rights.

No appointment of a substitute can be accepted or recognized by the Department of the Interior which is **not executed and dated after the date of the warrant for** the land grant issued by the Minister of Militia and Defence in favour of the Volunteer.

A substitute may be appointed either before or after entry is made by the grantee, and if the settlement duties have been partially performed by the grantee they may be completed by the substitute.

Notice is required by the Act for the appointment of substitutes to be published and forwarded to the land offices.

Settlement Duties

The ordinary homestead provisions of the Dominion Lands Act relative to perfecting of the entry and the performance of the settlement duties.

The time for the perfecting of the entry by the commencement of residence thereon is six months from the date of the entry. For cause shown, the Department may grant an extension of an additional six months, in its discretion.

The Act is specific in requiring residence to be actually upon the land entered for. Residence for a period of three years, of not less than six months in each year, during a period of three years, and cultivation of fifty acres of the land entered for, or pasturage of cattle thereon, is necessary to entitle either of the two quarter-sections. Residence upon a homestead entered for by a grantee or substitute within the settlement duties cannot be counted in connection with the land granted to the grantee or substitute (as the case may be) under the Volunteer Act, thereon for a homestead or pre-emption entry, whether

Sir:

I beg to acknowledge the receipt of your letter of the 7th instant, and in reply I am to say that your request to have your homestead and pre-emption entries for the North half of section 4, township 28, range V, West of the 4th Meridian, and the land held by your wife under the Volunteer Bounty Act the South half of section 4, protected until next Spring, cannot be entertained, as it is contrary to the practice of the Department to protect homestead and pre-emption entries, or Volunteer Scrip entries, unless it can be shown that these entries have been perfected by the commencement of residence and improvements, or unless it can be shown that they have been prevented from going into residence by uncontrollable circumstances. It would also appear that nothing has been done on this land in the way of residence and improvements.

It will not be possible to entertain your request on behalf of your son who made proxy entry for the N.E. ¼ of section 8, in the same township, and if he fails to comply with the conditions of his entry it will be summarily cancelled.

Dear Sir:-

- File #1759722 -

We enclose to you herewith instrument signed by Geo. Howard Ross appointing James Russell as substitute under the Volunteer Bounty Act 1908.

On the 29th of July an instrument executed by Mr. Ross was sent to you, which you returned to Mr. Russell in a letter dated on the 31st of August, 1909, drawing his attention to the fact that before the date of that instrument Ross had himself located his land certificate on the land for which Mr. Russell applied, and that for this reason it would be necessary to procure a new instrument from Ross dated after the 29th of July before effect could be given to Mr. Russell's application for location on the east half of 17 - 29 - 20 - W. 4th. We have after a great deal of difficulty succeeded in locating Mr. Ross, and have had this new instrument executed by him, which we trust you will find sufficient to entitle Mr. Ross to locate his certificate on the above mentioned land.

Kindly advise us as soon as possible with respect to this.

Yours truly,

April 30, 1909

To the Honourable Frank Oliver,
Minister of the Interior,
Ottawa, Can.

Honourable Sir, —

Under the provisions of The Volunteer Bounty Act, 1908, I have been granted by your Department South African Volunteer Bounty Land Certificate No. 2476, (Issue No. 173973 9).

To make entry for the land, I find I must travel to Edmonton, a distance of over three hundred miles, at great inconvenience and considerable expense. The inconvenience to me is increased by the fact that I am teaching on a public school here, and cannot, therefore, leave until July. I am just about to go into

residence on my homestead, and it will be difficult to the point of hardship to leave during vacation long enough to travel to Edmonton and back.

Considering the above circumstances and also that there are several others in this locality who are entitled to this grant, I hereby most humbly pray that you will grant it to the sub Agent of Dominion Lands at Lesser Slave Lake authority to accept entries for the said grant.

Whether or not you see fit to grant the above, shall I be deemed unreasonable if I also pray that you authorize the Dominion Lands Agent for this district to hold for me until July 2nd, 1909 S½ Section 13. Tp. 74. R. 17. west 5th.

Your favorable consideration of these matters will be greatly appreciated.

I am, Sir,

Your obedient servant

Geo. E. Martin

Report for Minister re [illegible].

Memorandum:-

The Acting Commissioner.

The attached is a letter from W. F. Bredin, enclosing one from E. E. Martin, asking that the Sub-Agent at Lesser Slave Lake be authorized to make entry for him and several others who hold South African Grants.

If this is not possible, he asks that the S.½ of 13 - 74 - 17, W.5th.M., be reserved for him until the end of July, so that he may locate his South African Bounty Warrant upon it.

He states that he is at present teaching school and is going into residence on his homestead at once, so that it would be difficult for him to get away during the summer to go to Edmonton and make entry.

The land mentioned by Mr. Martin is vacant in the records here, but under the regulations he cannot be allowed to locate his Volunteer Warrant by proxy. However, as it is the intention to open the Land Agency at Lesser Slave Lake on the 20th of July, he will probably be able to make his own location after that date.

Dear Sir:

Re N.W. 8-55-1, W. 4th Mer.

Mrs. M. A. Delahunty, of Onion Lake who owns the East Half of 8-55-1 W4th Mer. is desirous of purchasing the remaining portion of the N.W.¼ of 8-55-1, W. 4th Mer. She contends that she is greatly in need of this, as an outlet to the lake to furnish water for her cattle.

I would appreciate very much if you would let me know if the regulations will permit of her purchasing these lands.

MEMORANDUM:- W.W.Cory, Esq. C.M.G.,
Deputy Minister of the Interior,

Re Fracl. NW¼ 8-55-1-W.4th M.
Mrs. M.A.Delahunty.

In reply to your memorandum of the 22nd instant, addressed to Mr. Greenway, I beg to report as follows on the application of Mrs. M.A.Delahunty, who it is stated is the owner of the East half of the same section, to purchase the Fractional NW¼ 8-55-1-W.4th Mer., containing 97.80 acres. It is stated that she needs the latter parcel as an outlet to the lake to furnish water for her cattle.

The parcel applied for is shown coloured pink on the sketch attached hereto, and it is at present held under Grazing Lease by the applicant.

As you are aware it is contrary to the practice of the Department to dispose of these fractional areas by sale where the area thereof exceeds, as it does in the present case, 80 acres; a prior application made by Mrs. Delahunty in 1915 was declined for this reason.

The fact, however, that Mrs. Delahunty holds the land applied for under lease, gives her in the meantime access to the lake.

Respectfully submitted,

Controller.

Sir,

With reference to your letter to the Private Secretary of the Minister of the Interior, in relation to the application of Mrs. M.A. Delahunty of Onion Lake, Saskatchewan, to purchase the fractional N.W.¼ of Section 8, Township 55, Range 1, West of the Fourth Meridian, I beg to inform you that it will be contrary to the invariable practice of the Department to permit Mrs. Delahunty to acquire the parcel in question by purchase as no Dominion lands are available for purchase except in cases where small fractional areas of 80 acres or less are sometimes disposed of to the owners of land lying alongside. In this case, as the area involved is in excess of 80 acres, the Department is not in a position to grant the application.

I may add, however, that, under the circumstances, it has been decided to permit Mrs. Delahunty, if she so desires, to purchase the E.½ of the said fractional quarter section, comprising fractional Legal Subdivisions 13 and 14, containing together an area of 39.9 acres, at a valuation to be placed thereon by a Homestead Inspector, and the Agent of Dominion Lands, Edmonton, is being requested by a copy of this letter to detail a Homestead Inspector to visit the said fractional parcel and furnish the Department with a statement of its actual value per acre.

In the meantime, it would be advisable for Mrs. Delahunty to have filed here an abstract of title or duplicate certificate of title showing her to be the registered owner of the adjoining E.½ of said Section 8.

The terms of payment will require either the whole of the purchase money to be remitted to the said Agent of Dominion Lands on or before a date to be set upon receipt of the required abstract or certificate of title and the Homestead Inspector's report, or one-fourth of the amount within the time specified and the balance in three equal annual instalments with interest thereon at the rate of 5% per annum.

Your obedient servant,

Controller.

Application of Mrs. Margaret . Delahunty to purchase Legal Subdivision 11 and Fractional Legal Subdivision 12 of Section 8, Township 55, Range 1, West of the 4th Meridian, Containing 61 acres. Shown on the sketch attached hatched in red.

Mrs. Delahunty has made application to purchase the land above described which she now holds under lease (Ranch No. 6181).

In August, 1918, Mrs. Delahunty's application to purchase the whole of the Fractional N.W. of this section, was submitted on file No. 1759747 herewith. The applicant claimed ownership of the S. of the section and desired the land for an outlet to the lake, but it was decided, in view of the departmental practice to confine the sale of such lands to 80 acres or less, to permit her to purchase Fractional Legal Subdivisions 13 and 14 at the rate of $3.00 an acre. This parcel, shown outlined in pink on the sketch, was patented in her name in May, 1920.

In the event of a sale being granted, it will be necessary for Mrs. Delahunty to file here an unconditional relinquishment of her lease and evidence of ownership of adjoining lands.

To The Honorable Minister of Interior

Dear Sir I wish you to ask your advice in regards to the matter of my Son abandoning his Premium on my Soldiers and me taking same as a Purchased Homestead he has lived upon his Homestead and so I have proved up on my Homestead and I live on my Homestead which is not 4 Miles from my Sons Premium We were going to make a Transfer last Fall in November But on Going to the Dominion Lands office at Lethbridge we found that it would take Between 4 and 5 hundred dollars to make the change for the Payment due on the Premium on my account and also some Interest to be paid and I would also have the one dollar per acre to pay on Taking same over as a Purchased Homestead which would make a Payment altogether of about $ and we were not able to pay this so did not do anything in regards to it So I notice you have under consideration a Form of payments on the Premiums and Purchased Homesteads and what we would like to ask you is for the privilege of exchanging his Premium to me and me to file on as a Purchased Homestead without making this Payment at time of filing on same as we have not the money to make the Payment now and so don't take off the Payments on the Premium I would make the Payments on the Land the same

to me for would save it by paying on the amount
of the land before getting patent to same this
would give me a chance to use the money to
more my land. Instead of having to pay the
amount before we could make the change
from a new light land and all the farmers are
after land up for money and if the Department
only take off the payments on the Pembina and
Prehaven homesteads they will then do a great good
for the settlers as I know of a lot of farmers near
here that have had their land a good longer than they
have to get their patent on their purchased homesteads
and cannot do it on account of not been able to get
the money to make the payment on them as we have
had 4 poor crops and unless there is some
change there will be a great many that could not
go on farming. I wish to ask you to kindly let
me know about this matter of mine for turning over
to the Pembina and me to take same as a purchased
homestead without having to pay the amount due as it was
to fall when we went on it. See the agent at Lethbridge in regard
to same as my son has got a job working and he will have to
give up his job at first unless we can make the exchange
we made the Homestead entries in place of him as we need
the money we can get to keep making our improvements on

In the Matter of South East quarter of Section 6, Township 11, Range 15, West of 4th Meridian, in the province of Alberta.

Sir,

I beg to submit the following statements in connection with above-described lands, and to respectfully direct your attention to the fact that the pre-emptor, Harry Hudson has up to the present made no move in the fulfilment of his residential duties as required by the Dominion Land Regulations.

Statements:—

I. In Nov. 1913 I wrote to the Dom. Lands Office, Lethbridge in connection with said quarter-section, and I was informed

Con.

that I was pre-empting in connection

F. I am, having just personal knowledge that Harry Hudson was not doing residential duty, was residing the entire, and under date Dec 17th 1915 the Agent & Commissioner at Lethbridge wrote me stating that my Commutation was accepted, proceedings cancelled, and the pre-emptor allowed until Feb. 28th 1916 to live a home.

I in reply to further enquiries from the Lethbridge Dist. again wrote me under date April 7th 1916 that the whole matter was receiving the attention of the Dept. at Ottawa, and that I would be advised of the decision arrived at.

F. Seeing and nothing about the business I again wrote to Lethbridge and on May 2nd the Agt. informed me that Harry Hudson the pre-emptor, had furnished a license which had been submitted to the Dept. at Ottawa, and that as soon as a decision would be arrived at he would let me know.

T. Now Sir, May I ask what steps can
the Settlers but present to give em
the right to find Government some
Official Location — viz Lots?
I mean can Lots be applied for in the
Townships, and if may I ask public notice
to be given, proper Lots laid in Townships
ways with regard to conditions of sale and
price.

Also I also ask on what date Mr Hudson
first left Lethbridge, and on
what date same was received in Ottawa?
I have a very serious reason for asking this
question, and in the interests of fair play
I respectfully demand a reply thereto.
It seems very strange also that no notice
of Cancellation has been posted in the local
Post Office here.

In conclusion allow me to say that Harry
Hudson is not residing on his pre-emption,
that he says he has no intention of doing
so, and further that he has not been
asked to do so. In the face of these
well known facts, everyone of which I can
prove conclusively I put to ask you as Min
of the Int. Lands for an explanation and
a decision

Dear Sirs.

I have received notice of Cancellation of my Pre-emption the S.E. ¼ Sec. 11-15 and I am at a loss to know any reason why I should be dealt with in this manner. I have been doing my duties until quite recently when owing to poor crops and hard times I was compelled to go out and work in order to live. I have 105 acres in crop which is all burnt up. I have spent all my cash on my place this spring and having no thing to live on now, it is impossible for me to stay there, I think the department should reconsider this and protect the homesteaders of this district, also the party that conducted the sale is not protected to take up this land so in order to hear from you by return mail in regards to this I am

Respectfully yours
Harry E. Anderson

and unless something is done the Settlers will have to all get out - and it seems that the more a man does in the way of Improvements and work the less he gets for it and the harder up he is. as I myself and family of 7 children came here in 1909 5 years ago - and I Brought here with me seven thousand dollars from the United States and me and my Family has all Worked very hard here and have Put in Crop each year about 250 acres and We are all to day Practally Broke - We have some land there but it is now Worthless as We Cannot even raise fud on it for our Stock I have in Crop this season 270 acres and will not get enough to feed my Chickens this Winter - So the Department can See What the Conditions are here - and they should take this into Consideration and Protect the Settlers Homesteads - and they should also assist them to Stay in the Country - I think that the Department ought to give the Exemptions to the Settlers that has put in their Duties on the Homestead - and got their Homestead Patent. I am yours Very Truly J. R. Hudson

Sir,

Replying to your letter of the 26th ultimo, with reference to the cancellation proceedings instituted against the above land, pre-emption entry of Mr. Harry Hudson, I beg to say that information has been received to the effect that the homesteader has placed 110 acres in crop this season and has done some residence, and in view of this fact, the Department would hardly be justified in carrying out the cancellation.

If the pre-emptor does not go ahead with the residence within a reasonable time, his entry will in all probability be cancelled, and you will no doubt be duly notified of the fact.

I am in receipt of your statement in defence of the cancellation proceedings pending against your pre-emption entry for the above land, wherein you state that you have 110 acres in crop this season, but you do not state whether you have done any residence this year. It is assumed, however, by reading the agent's letter of the 22nd April last to you, that you did go into residence, and I am, therefore, to request you to inform the Department within the next thirty days what residence you have performed on the land since January, 1915.

If you have performed no residence, it will be necessary for you to at once do so, or the summary cancellation of your entry will take place.

I beg to request that you detail a commissioned Inspector to report immediately, if possible, respecting the actual settlement duties performed by Harry Hudson in connection with his pre-emption above described.

Mr. Hudson, in his affidavit, under date the 17th of June last, set out he had in crop this season one hundred and ten acres but failed to say definitely what he has done in the way of residence since earning title for his homestead.

The applicant for Inspection is pressing for a decision in this matter and claims that the pre-emptor performed but three nights residence in the year 1914 and that is all the time spent on the land since earning title for the homestead and further that he has not, as claimed, one hundred and ten acres in crop.

Sir.

In reply to your letter of the 9th inst,I beg to advise you that Mr William Rombough was granted pre-emption entry for the S.E.¼ of Section 1, Township 11, Range 15, West of the 4th Meridian,for the reason that this land was previously held as a pre-emption entry by Mr Harry Hudson which entry was cancelled in the records of this office on the 22nd of October last.

It would appear that the origin of this error occurred when Mr Hudson was allowed to interchange his homestead and pre-emption entries for the S.E.¼ of Section 1, Township 11, Range 15, and the S.W.¼ of Section 6, Township 11, Range 14, West of the 4th Meridian,in accordance with the Departmental letter to him of the 24th of March,1910.

I am in receipt of a communication from Mr Rombough stating that he is desirous of obtaining entry for the quarter section in question as a purchased homestead,and I would be pleased to be advised if he may be allowed this privilege.

I beg to acknowledge the receipt of your letter of the 23rd ultimo, requesting a refund of the amount collected for improvements made by you on your former pre-emption, the South West ¼ of Section 1, Township 11, Range 15, West of the 4th Meridian.

In reply I am to say that a Homestead Inspector reported that the cultivation you had completed on the land was of no value when re-entry was granted the present occupant.

The fencing which you erected was valued by the Inspector at $25.00. This amount was collected and placed to the credit of your account in connection with seed grain and fuel furnished in 1915. There still seems to be a considerable amount due the Department for the relief furnished.

Your obedient servant.

OTTAWA,

I would, however, hesitate in suggesting the acceptance of such an apportionment for the following reasons:-

1. The Department has no alternative security except what might be afforded as a principal charge against the Lienor should he be located.

2. The Company's statement of claim shows a principal charge of $585.00 and a total claim of $1980.63. Their statement of claim not being itemized as showing all receipts and disbursements a correct deduction of their actual loss is impossible. For instance they show one item of $201.05 as "costs of cultivation", anent which is it not probable that they at least recovered sufficient return from the crops grown to reimburse them this item of expenditure?

3. They took over the mortgage from the Canadian Mortgage Association as late as 1920 and both Companies being cognizant of the fact that the Departmental Liens were a first charge is it not to be supposed that due allowance was made for the same?

On Fried being written to re the indebtedness he advised of having sold to one Mr. Hay, but this was never verified and an Abstract dated November 27th, 1922, shows that title vested in the name of the Credit Foncier under vesting Order dated May 12th of that year.

This Company under date of August 11th last requested an apportionment of the Departmental indebtedness submitting the following statement of claim in support thereof:-

Principal (originally $600.) now due	$585.00
Advanced for taxes	201.84
" " cultivation	201.05
" cost of inspecting, leasing, etc.	34.25
" on account legal costs	264.96
CLAIM WITHOUT INTEREST	$1287.10

Int. due & accrued due to 31-7-25.	$387.36	
" on arrears & advances " "	306.17	693.53
TOTAL CLAIM AT 31st July, 1925.		$1980.63

It is evident that the Company have not resold and Homestead Inspector Wilcox's report dated November 11th conveys the following information and valuations:-

" Mr. Wm. Rombough has this land rented from "the Credit Foncier, F.C., had 75 acres in crop "this season, threshed none, the only improvements "of any value is the fence. I would value same at "about $3.00 per acre. Improvements $25.00."

An apportionment computed on a pro rata basis of loss sustained by both the Mortgage Company and this Department and accepting the valuation placed by the Homestead Inspector at $506.00 would be as follows:-

Their Claim.....	$1980.63
Departmental Claim.....	379.65
Total.....	$2360.28

Out of $2360.28, $506.00 is recovered.
Out of $379.65, $81.00 should be recovered.

This is one of the cases in which your Company have requested a reduction of the Departmental indebtedness registered against title, and in support thereof have submitted a statement of your claim accompanied by the usual statutory declaration.

I am now to advise that this case has been before the Departmental authorities for consideration, and it was decided that the information conveyed in your statement of claim was not sufficiently detailed as to enable the Department to arrive at an equitable decision.

In dealing with apportionments it is very important that information be on file in the form of a statement of claim showing all receipts and disbursements from the date of the loan, and I am, therefore, instructed to request that you kindly forward such statement in order that the case may again be submitted for further consideration. I am instructed by the solicitor for the creditor herein to release this matter as the debtor has made settlement with him.

I understand Rombough will be hauling his grain to the U. G. G. at Taber to-morrow and as the execution has been satisfied the proceeds of the crop will not be turned into me.

I am also advised that Rombough still has some rye that has not been disposed of.

As far as this office is concerned, I have no further hold on this man's crop.

Re: S.½ 1-11-15 W4th Mer.
Account - William Rombough.

The above man's 1915, 1919, 1920, and 1922 seed grain account amounts to $1420.34 with interest as at the 31st March 1927. As this is a very large account I am to request you to give the collection of same your immediate attention.

It has been ascertained that he apparently has interest in 310 acres of wheat on the South half of Section 9 and Section 4, Township 9, Range 16, West of the 4th Meridian, also half share of 320 acres of rye in Township 11, Range 15, West of the 4th Meridian, presumably the South half of Section 1, but it is not so stated. A seizure under execution was made of this crop, but I am informed by the Deputy Sheriff at Taber that he has been instructed by the solicitor for the creditor to release this matter as the debtor has made settlement with him.

The Sheriff also informs me that he understands Rombough will be hauling his grain to the U. G. G. at Taber on the 22nd instant. He also advises that Rombough still has some rye that has not been disposed of. With this information kindly endeavour to collect or furnish such a report as will enable the Department to take action with a view to collection.

E. F. Layton,

MEMORANDUM:

Mr. Perrin

S.E. 1-11-15 W.4th M.

The Timber and Grazing Lands Branch have asked to be advised if the Inspector's report of the 18th April last varies with former reports on the above land and if in view of the latest report whether or not this land might be considered of a class which could be disposed of for grazing purposes.

In November, 1923, Inspector Wilcox reported that the soil was light and sandy and that 75 acres could be cultivated. He also stated that 60 acres had been broken and cropped but that the crop was a failure and that nothing had been threshed.

In February, 1927, the same Inspector reported that the whole quarter-section could be cultivated and that the soil was of a sandy nature. In April, 1928, Inspector Wilcox again reported on the quarter-section to the effect that this land is not fit for agricultural purposes or homestead under the stock clause of the homestead regulations. He stated that at the present time the soil is very sandy and drifts very badly.

As the Inspector's report of April last varies with the report of February, 1927, I would suggest that the Agent of Dominion Lands at Lethbridge be asked to have the Inspector either confirm or amend his latest report on the above land.

Re S.W.¼, 6-11-14-W. 4th Mer.,
S.E.¼, 1-11-15-W. 4th Mer.,
Harry T. Huison.

The Seed Grain and Relief Adjustment Board, appointed under Order P. C. 2100, hereby recommends that all liens carried against the S.W.¼, 6-11-14-W. 4th Mer., and the S.E.¼, 1-11-15-W. 4th Mer., for advances made to Harry T. Huison, be unconditionally discharged.

The Board submits the report of the Acting Director, Debt Adjustment Act, dated November 13th, 1929, which report gives full details of all liens registered against the said land, and states in support of the recommendation:-

1. That the S.E.¼, 1-11-15-W. 4th Mer., was the debtor's pre-emption, entry to which was cancelled in the year 1915.

2. That in the year 1915, William Pombough secured homestead entry to this quarter section and it is reported that at the time of making entry he was not required to assume any portion of the liability of the original debtor.

3. That the land is of very low value and it is not desirable that William Pombough be handicapped by requiring him to assume any portion of the liability of the original debtor.

4. That prior to the advances being made the debtor mortgaged the S.W.¼, 6-11-14-W. 4th Mer., to the Credit Foncier, F. C.

5. That the Mortgagees foreclosed upon their security and became the registered owners of said land.

6. That the Mortgagees have satisfied the Board that they are sustaining a loss in realizing upon their security, the principal amount of their claim being established at the sum of $1,486.23, while the present fair actual value of the land does not exceed the sum of $[illegible].

.....

5471812

7. That as the Mortgagees are sustaining a loss in realizing upon their security it is desirable that the liens be discharged.

8. That the debtor left the District in the year 1931, and there is no possibility of making any collection from him, under his personal covenant.

The Board therefore recommends that all liens charged against the said land be unconditionally discharged, and the total amount payable thereon be written off as uncollectible.

Dear Sir:-

Re: Harry T. Hudson - S.W.¼-6-11-14-W.4.
S.E.¼-1-11-15-W.4. Dominion Liens.

In 1915 Harry T. Hudson obtained seed grain and fodder and relief advances from the Department of the Interior in the sum of $352.14. He has made repayments amounting to $102.96. After application of these payments and with the addition of interest to June 30th, 1929, his indebtedness amounts to $423.24.

As security liens are registered on title to the S.W.¼-6-11-14-W.4. for $238.50, 68.64 and 25.00 as instruments Nos. 353 E.K. and 7654 B.D.

Credit Foncier, F.C. held a mortgage on this property which was registered on the title on April 23, 1914, a date which, it will be noted, was prior to the date of the registration of the liens. By foreclosure they have obtained title subject to the liens. They have applied for cancellation of the liens on the grounds that the amount outstanding under their mortgage exceeds the value of the security, which consists of the S.W.¼-6-11-14-W.4th only.

In the statement submitted in support of their claim there are the following items shown as outstanding under the mortgage:-

Principal	$600.00
Taxes paid	375.65
Taxes outstanding	32.00
Foreclosure costs	175.00
Simple interest at 5%	293.58
	$1466.23

They have submitted that the land has a value of $160.00 only and that there is no likelihood of sale.

I have procured a valuation from a reliable independent valuer who states that he does not consider this land any good

for agricultural purposes, and values it at $300.00.

In the circumstances it is clear that the Credit Foncier, F.C. must sustain a loss under their mortgage. In view of the ruling by the Department of the Interior to the effect that no objection will be raised to cancellation of Dominion liens when a prior mortgagee can establish that a loss is being sustained, I recommend that the Dominion lien registered on title to the S.W.¼- 6-11-14-W.4th be unconditionally released.

As additional security for the advances to Hudson the Department of the Interior have reported the S.E.¼- 1-11-15-W.4th. Hudson held preemption entry for this quarter section until it was abandoned by him on September 7th, 1915. On October 25, 1915, William Rombough obtained entry for this quarter section, but was not required to assume liability for Hudson's seed grain, soldier and relief indebtedness.

From information procured from the Secretary-Treasurer of the Municipal District and from the Agent of Dominion Lands at Lethbridge, there would appear to be no likelihood of collection from the debtor himself as he left in October 1922, for California, where he is at present residing. His exact address is unknown. I therefore recommend that his account be written off as uncollectable.

Yours truly,

EJJ/AT.

Director.

Re: Account of Wm. Rombough
S.½ 1-11-15-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915, 1919, 1920 and 1922 seed grain, fodder and relief amounting to $909.33 were advanced to Wm. Rombough on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 909.33	$ 1,801.23	$ 2,710.56

The S.W. 1-11-15-W4 was formerly the purchased homestead of the debtor on which security he obtained the 1915 advances. The S.E. 1-11-15-W4 was formerly the pre-emption of the debtor on which security he obtained the 1919, 1920 and 1922 advances. His entry was cancelled on the 22nd of March 1927 and the land is still unalienated Crown Land held in the right of the Province.

Title to the S.W. 1-11-15-W4 has since been acquired by the Municipal District of Eureka No. 14 under the Arrears of Taxes Act.

The land is described as of very poor value and more suitable for grazing.

The Municipality has been unable to dispose of the land by sale. It is still vacant and no longer operated. There is an accumulation of $942.06 arrears of taxes outstanding against the S.W.¼ while the S.E.¼ is not assessed as of any value or subject to taxation. As such the land no longer offers any security of value for our liens.

Under the circumstances it is recommended that the indebtedness be cancelled and the liens discharged.

C.W. Gilchrist.

Dear Sir:

Re: S.W. 1-11-15-W.4th.

We have your letter of the 24th of July, 1953, asking for an up-to-date statement of the account of Wm. Rombough charged against the above land.

Mr. Rombough's account was considered by the Seed Grain Advisory Board and in view of the low value of our security it was recommended that it be cancelled without any payment.

Authority to do this was obtained under Order in Council P.C. No. 18-980 on the 24th of June, 1953.

A copy of the withdrawal Notice was sent to the Registrar at Calgary on the 28th of July, 1953, and no doubt by this time the title will be clear.

Yours very truly,

Re: Account of J.J. Leaf
S.E. 34-37-7-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1919 seed grain amounting to $215.00 was advanced to J.J. Leaf on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 215.00	$ 486.44	$ 701.44

The S.E. 34-37-7-W4 was formerly the homestead entry of the debtor on which security he obtained an advance of seed grain in 1919. His entry was later cancelled and the land is still unalienated Crown land held in the right of the Province.

In reply to our questionaire of the 2nd of July 1932, J.W. Tedrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:

"This parcel is unalienated crown land occupied at present under a long term grazing lease. This land is located in that part of the Province designated Special Areas and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our advance. Under the circumstances it is recommended that the indebtedness be cancelled.

Pre-emption of T.G. Howatt.
Entry granted 6th November, 1908.

Mr. Howatt's pre-emption entry has been the subject of cancellation proceedings for a considerable time and this case has come before you on several occasions. However, upon it being ascertained that Mr. Howatt had practically completed the requisite duties, at was decided to abandon the cancellation proceedings and commence with a view to obtaining, if possible, his patent for the quarter-section.

The facts of this case are very fully set forth in Mr. DeVeber's memorandum of the 20th April, 1914, and also in your memorandum of the 26th November, 1915.(illegible). In view of Mr. Howatt's knowledge as to the consequences ~~of~~ as failure to interest himself in his pre-emption, it was decided to institute cancellation proceedings on behalf of the Department, as ... the time eight years have elapsed since the date of entry.

In accordance with instructions cancellation proceedings were instituted on the 30th May last.

It would appear from Inspector Kelly's report of the 20th April, 1917, which has just come to hand, that there are 70 acres broken on the homestead and 14 on the pre-emption.

Several parties having now come forward with claims to patent, entry for this quarter-section and a few of this pre-emption have not been finally disposed of as to the issue of this land as the sixty days' notice has expired.

Kindly state if the report as to the cultivation is sufficient to entitle this party to patent in order that I may advise the respondents.

Yours truly,

Re: Account of Edward Akre
N.W. 4-34-6-W4

The matter of an application for an adjustment of debtedness outstanding against the above mentioned party is eferred to you, constituted as a Board to deal with such cases. aving completed an investigation I am now in a position to report as follows:

In 1925 seed grain and relief amounting to $349.75 were advanced to Edward Akre on the security of the above mentioned land. Payments of $150.60, $124.25 and $40.00 were received in 1921, 1922 and 1928, respectively, and applied to the principal and interest. The present standing of this account is:

Principal	Interest	Total
$ 191.42	$ 248.57	$ 439.99

The N.W. 4-34-6-W4 was formerly the homestead entry of the debtor whose entry was later cancelled and re-entered upon by Raymond Nelson who was not required to assume the indebtedness of the former entrant. Title now stands in the name of Raymond Nelson clear of any encumbrance.

As the liens were never registered against the land and there is no further security, it is recommended that the balance of the indebtedness be cancelled.

C.W. Gilchrist.
